# Car Wash For CASH

## Drive-Up Your Fundraising Goals!

### Transform Every Wash Into Cash!

Our Car Wash For Cash program offers your organization an exciting and interactive way to raise funds while engaging with your community. Whether you're supporting a school team, a local non-profit, or any group looking to boost their resources, we've got the perfect fundraiser for you.

### How It Works

Zoom Car Wash commits to turning your fundraising dreams into reality. For every single car wash purchased by your supporters during your designated event, we proudly donate **20%** of the proceeds back to your organization. And the opportunities don't stop there! For each new membership signed up on the day, we add an extra **\$20** to your fundraising total. The more people you bring, the more funds you raise – it's as simple as that!

### Pick Your Day

Friday afternoons: 3 p.m. to 6 p.m. or  
Saturday mornings: 9 a.m. to noon.

### Rally Your Team

Gather at least 10 dedicated volunteers and at least 3 adults to help manage the flurry of foam and fun. We ask all volunteers to arrive 30 minutes early. This allows our Zoom Car Wash managers to guide you through a comprehensive safety and equipment briefing. Safety vests will be provided and are essential attire for the duration of the event, ensuring everyone enjoys a secure and successful fundraiser.

**\$1,000 bonus for the  
Non-Profit/Charity that  
raises the most money  
during their Fundraising  
event.**

### We Will Provide:
